AMSS Advance Care Outreach Ambassadors Form (ACOA)

ACOA Ambassadors are expected to:

1. A good understanding of end of life issues.
2. Cultural-sensitivity to the diversity of the community we are serving.
3. Connect the patients' families, with their medical teams, their religious leaders, and the service delivery system.
4. Provide social comfort through compassionate visits and phone calls.
5. Help families better understand the "End of Life" Issues to prepare them for this important life transition.
6. Educate the community about the County's available Advanced Care Resources, by distributing flyers, participating in community dialogues, and speaking at senior centers.
