Diversity and Partnership in Action Supporting Caregivers and Empowering Older Adults

AMSS Halal Meals on Wheels Pilot Project's Members Consent Form

The American Muslim Senior Society (AMSS) "Halal Meals on Wheels" reflects AMSS mission to serve the long-term care needs of seniors, and caregivers, who are isolated and cannot access essential services.

The AMSS Ambassadors' role will be to conduct monthly visits, make friendly calls, and provide services to caregivers by connecting them through our partnership with the appropriate agencies in Montgomery County.

You have been selected by AMSS to be among the members of Montgomery County to receive AMSS "Halal Meals on Wheels".

A Team of two ambassadors will be setting up a time to visit you to: introduce themselves, explain the work plan, answer all your questions, and get your permission to be part of the "Halal Meals on Wheels Program".

We assure you that we will keep the confidentiality of your information. Also, you have the right to decline any service that does not agree with your culture or beliefs.

Translated material will be provided upon your request.
